

V2.5.2 Release Note – 16 Oct 2022

■ Feature Enhancements and Bug Fixes

No.	Summary	Type	Description
1.	Data specs created at the same time in the same tenant are placed in the same version tree.	Bug Fix	When data specs are created at the same time in the same tenant, the system places them in the same version tree, which is not an appropriate behavior. The issue has been fixed.
